ABOUT

The past several years have been extremely challenging. After not holding the festival for a couple years, we were able to return for the 2022 event, bringing our community back together.

Dating back to the summer of 1967, this once small community festival continues to bring joy and happiness to the residents of Sugar Grove, the surrounding communities, and beyond.

Our mission has always been about promoting a sense of community. It is with great joy that the Sugar Grove Corn Boil Committee is bringing the full festival back for our 2023 event. In order to meet our mission, we rely on the generosity of individuals and businesses. Without our sponsors, the Corn Boil would not be possible.

Please look over our sponsorship packet. Your support of the Corn Boil is recognized not just by the committee but by your neighbors, employees, and current and future customers. The Sugar Grove Corn Boil is a 501(c)(3) charitable organization so your donation is tax deductible.

We look forward to working with you and having you join us July 20th through July 23rd for a fun filled festival.
